

5 DIFFERENCES

BETWEEN A MEDIATOR & A DIVORCE LAWYER

1

Completely Private

Litigation can be included in public hearings while mediation is 100% confidential.

More Convenient

Mediation is faster and less costly for both parties vs. using a lawyer.

2

3

More Outcome-Focused

Mediation focuses on successful outcomes for both parties. Lawyers focus on one.

More Control

Mediation involves both parties, which allows more control over outcomes vs. using a lawyer.

4

5

Higher Satisfaction Rates

Higher satisfaction is reported in mediation vs. with lawyers.
